Whether you are an alumni studied in SD many years before or not long ago, don't you miss your schoolmates and the places once have nurtured your mind? Don't you want to know how they are doing lately as well as the current development of SD?

In order to bring back the good old days and also let more alumni link up again, SDAA would like to organise an occasion to meet these purposes. However, these goals can only be achieved with your support. So, please show us your work plus yourself in this coming up event, say, SDAA Design Show 2010 call for entry.
